The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty per cent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of courses on which his average is based.

Mr. G. Grenville Benedict, Dean of Students at Phillips Academy, Andover, was the guest speaker at the annual initiation banquet held on May thirteenth.

The Football Season

By Edward S. Luneburg

The varsity football team this autumn backed up its great team spirit by staging an exciting mid-season comeback after a string of three defeats. This was the highlight in a season of two wins and four losses.

An extra week of practice prior to the first game gave the team a chance to perfect its play and to establish the fine spirit which existed throughout the squad this year. The first quarter of the Groton game found the Governors losing 7-0, but Captain Carl "Skip" Pescosolido's fighting spirit and fine play soon led them back on the offensive. Jack Pallotta scored twice on passes from Skip Pescosolido to put the team ahead 14-7 at the half. The second half saw both teams making fine defensive stands, and there was no more scoring. The Red and White victory came at the cost of a knee injury to Skip Pescosolido which kept him out of action for the remainder of the season.

Rainy weather hindered both teams in the Moses Brown game at home, and the visitors scored the only touchdown of the encounter. On the last play of the game, Berry Barnes carried a pass from Buddy Hadley all the way to the one-foot line before he was brought down by the Moses Brown defense.

The Governors returned to South Byfield after a loss against Milton to meet an undefeated St. Sebastian's team before a rain-soaked Parents' Day crowd. The Red and White scored twice, but the highly polished St. Sebastian's eleven won 24-12. The St. Mark's game was proof of the Governors' strong team spirit. The memory of last year's defeat and the desire to win carried the team on to a 19-12 victory. Belmont Hill's strong passing attack gave them a 12-6 win over the Governors in the last game of the season.

Skip Pescosolido's ability as a football player and a leader was a great loss to the team after his injury in the Groton game. Buddy Hadley deserves much credit for the fine job he did as quarterback during the remainder of the season. There were three seniors who rounded out the backfield. Thornton Burke will be remembered for his ground-gaining sprints around the ends, and fullback Jack Pallotta gained many yards up the middle. Aee Hubbard was a fine pass receiver and a valuable defensive back. Vince Sgarzi alternated with Buddy Hadley at quarterback and will be remembered for his outstanding play against St. Mark's.

Dick Bartlett was the starting center, flanked by guards Dave Brainerd and Dave Stockwell. Tom Urmy and Steve Bartow also saw much action at the guards. There were four tackles who played regularly: Dennet Withington, Dan Leary, Dave Rolfe, and George Boynton. Tom Doyle and Dave Fisher were a pair of veteran ends who alternated with Al Keith and Berry Barnes.

Team spirit was the thing this year. It is not unusual to find a team whose starting eleven has the desire to win, but it is not often that this spirit exists among all the members of the squad. It was this will to win that accounted for the Governors' valuable depth of reserves. Mr. Sager had confidence in the ability and the spirit of every member of the squad, and he did not hesitate to use the reserves when they were needed.

The Soccer Season

By Raymond H. Rignall, Jr.

This year's soccer team finished second in the Private School Soccer League with a record of four wins, four losses, and three ties. A great deal of the success of the team depended on the play of such key men as Captain Don Hicks, Bink Bailey, Bill Durrell, Tony Gowen, and Pete Coon.

The season was featured weatherwise by continual rain in the Boston area which plagued the team in most of its games. The Governors played their first two games against Browne and Nichols and Andover. Both of these games were tight, low-scoring encounters, proving the worth of the Red and White's strong defense: Tony Gowen in the goal, fullbacks Don Hicks and Larry Eliot, and the halfback combination of Bink Bailey, Bill Durrell, and Pete Haendler.

In the next game, the offense gave evidence of its ability by breaking loose for eight goals against Noble and Greenough. This offensive punch was given by Pete Coon, Bill Hoyt, L. Nichols, Monty Graham, and Bill Stone, backed by the ever-present halfbacks. The Brooks game was a hard-fought, bruising contest which the Governors finally won two to nothing. The contests with Belmont High and Milton were very close games, and both encounters resulted in tie scores. The Red and White defense prevented Belmont High from scoring during two overtime periods, but the team was unable to score itself. The Milton eleven came from behind to score two goals and deadlock the game at two to two. Neither team could tally again before the final whistle.

After a three to nothing loss to St. Paul's School, the Governors countered with a three to nothing victory over Tabor on Parents' Day. This game was one of the best that the team played during the season. A week later, St. Mark's clinched the league title by defeating the Governors seven to one. This game was proof of the kind of spirit that has become a trademark of Governor Dummer soccer teams. The Governors did not stop playing their hardest until the end of the game although they were far behind in scoring in their most crucial game of the season.

After losing to Medford High in a game once postponed because of rain, the Governors finished the season by defeating Belmont Hill one to nothing. Bill Stone, Charley Volpone, and Dave Hutt were standouts in this victory.

So now this year's soccer season is entered in the record books, and all that remain are the memories. Don Hicks' long kicks will be remembered, as well as Tony Gowen's fine saves in the goal, and Pete Coon's driving offensive attack. Each member of the squad will be remembered for something: his ability, his spirit, his determination, a well-played game, or some instance of fine play. There are also the memories of the hard work during practices, the games that the team lost as well as the ones they won, the trips, the fellowship on the field, and the time and effort devoted to the squad by Mr. Navins and Mr. Houston. The boys will remember these things, and they will know that they can be justly proud of the soccer season.

Volleyball

By James J. Healy

The week prior to Thanksgiving recess always finds Governor Dummer enveloped in an air of electrifying suspense and uncertainty. This year was no exception. As the rumors spread about the campus, it was clear that the 1954 volleyball season would surely commence with a visit from Poobah, Plutonian Potentate of Pushball. Since all hope of his impending arrival had been confirmed by Poobah's representative on Earth, Mr. Mereer, everyone was eagerly awaiting the arrival of the "Pontiferous Potentate".

But the boys were destined to be disappointed. As the hour of Poobah's arrival approaehed, Chris Beebe arrived with a telegram saying that he had been detained by urgent business on Pluto and would be unable to make his appearance.

With only slightly diminished zeal, the meeting went on. Helped by advice from Poobah, who was tuned in on an interstellar hookup, Mr. Mereer chose the teams and named them after various fishes and fowls.

Mr. Sperry's Smelts emerged victorious in the Fish League, while Mr. Miller's Boobies took the title in the Fowl League. The play-off was a fitting climax for a successful season. With many "spikes" and much shouting from the stands, the Smelts took the championship.

The Basketball Season

By Colin M. Curtis

As quite often is the case, there was a great deal more to the 1955 basketball season than is recorded in the score-book. The record shows that the Governors ended the season with five wins and eight losses, for an average of .385. But the statistics become unimportant when one considers the team spirit that the squad showed throughout the season.

With a squad of fifteen men, there were only two returning lettermen. The squad was relatively inexperienced, and for many of the members of the squad, this was their first year of varsity play. With the emphasis on both fundamentals and scrimmage, Mr. Witherspoon did an admirable job in getting the team ready for its first game.

The Governors' first encounter was scheduled for January eighth, only four days after the beginning of the winter term. The M.I.T. Freshmen defeated the Governors by a score of 58-26. The lack of experience and ball control showed up quite badly in this game, as it did in the next one, in which the Governors came out on the short end of a 41-36 score against Lawrence Academy.

On January fifteenth, the Governors went down to Newton and there defeated St. Sebastian's. With both the fine leadership of Captain "Bud" Hadley and the benefit of past experience, the Governors turned in their first win, 55-41. Don Hicks played an excellent game, scoring thirty-five points. The next game proved to be a disappointment. The Governors lost to Belmont Hill by a score of 75-53.

The next encounter, however, was the start of four straight wins for the team. St. Paul's was defeated at the Alumni Gymnasium by a score of 57-35. On February second, Browne and Nichols was defeated by a score of 57-35. The Governors then beat Rockport High School 61-47. Bud Hadley played extremely well, scoring fourteen points.

On February twelfth, the Governors played one of their best games, defeating Milton 54-51. At the half, the Governors were leading 25-20, and they managed to retain a lead for the rest of the game.

The remaining games on the schedule were defeats for the Governors. However, the game with Huntington was an extremely close one, as the Governors lost 55-53. At half time, Huntington was ahead by one point; and in the second half, the lead changed several times. Finally, with the aid of a foul shot, Huntington retained the lead and won the game.

The final game of the season was with Tabor. Although the Governors lost 52-48, it was one of the top three games of the season. Taking into account both spirit and skill, the team was not to be discredited for this loss.

Bud Hadley was a fine captain and improved his scoring throughout the year. Don Hicks's scoring bolstered the entire team. He averaged nearly nineteen points a game. "Rey" Moulton's deadly shooting from the outside resulted in many points for the Governors. "Vince" Sgarzi's shooting and "Ace" Hubbard's defensive play were also to be commended.

One hears so much about team spirit that he tends to slide over it. This year the school had a basketball team that did not always come home with a win, but it did have a team that it could respect.

The Winter Track Season

By Stuart Sprague

Winter track, although a sport in itself, is primarily a conditioner for the all-important spring track season. Since a good track man cannot be made overnight, it is the winter track squad that forms the backbone of the spring team. The experience gained during the winter is a great asset to the spring track team, and a good winter track season seems to foretell the coming of a good spring track record.

This year's winter track team was one of the strongest since it became a major sport at Governor Dummer. One of the reasons for this unusual strength was the large number of last year's great track team that were out for track this year.

The winter track season officially opened on January 22 with a triangular meet among Exeter, Tabor, and Governor Dummer at Exeter. Exeter proved too strong for the Governors, but the team took second place over Tabor. In this opening meet, "Tony" Gowen tied "Skip" Pescosolido's record of 6.0 seconds in the 45-yard high hurdles.

A week later, the Governors competed in the B.A.A. Relays at the Boston Garden. The team won its heat in the afternoon to qualify for the finals in the evening. The Governors placed second to Huntington in the evening relays. The relay team, consisting of "Wink" Pescosolido, Tony Gowen, "Mac" Sheesley, and Thornton Burke, tied the school standard for the mile relay with a time of 3:41.2.

Later in the season, Governor Dummer competed against ten other preparatory school teams at Andover. The Governors clinched third place behind Huntington and Andover when Captain Thornton Burke won the 300-yard dash.

The last big meet of the season was the Bowdoin Interscholastics. Again the Governors took third place. Thornton Burke placed second in the 300-yard dash, breaking his own record for the event with a time of 33.4 seconds. Mac Sheesley also set a new school standard, running the 600 in 1:20.4. George Boynton won the shot put, and the Governor Dummer relay team clinched first place while setting a new school record for the event.

Thornton Burke lived up to his reputation as a sprinter and as a leader this year. "T" turned in his best performances in his specialty, the 300-yard dash, an event that requires both speed and skill in sprinting on the indoor tracks. George Boynton, holder of the school shot put record, came out of a mid-season slump to win the event at the Bowdoin Interscholastics. He was elected to lead next year's winter track team. Tony Gowen continued his usual fine performances in the distance events, and became the team's strongest threat in the high hurdles. Mac Sheesley's record breaking 600-yard run at Bowdoin attests to his ability as a runner. Wink Pescosolido was valuable to the team as a broad jumper and sprinter, as was Art Balser in the dashes.

No track team, regardless of how much natural ability its athletes have, can excel as this year's team did without an excellent coach. It is the coach of such a team that shows the individuals on that team how they can best use that ability. To Mr. Withington, as much as any person, belongs the credit for the success of this year's winter track season.

The Wrestling Season

By Carl A. Pescosolido, Jr.

In an eight-meet schedule this year the Governor Dummer wrestling team broke even with four wins and four losses. After a fairly successful start, the mid-season record was hurt by the virus epidemic. A strong finish, however, proved that the Governors had profited from experience gained in the earlier matches.

The team was bulwarked by a group of underclassmen who make the hopes for next year's wrestling season very bright. Kevin Leary started the season with a pin and finished it in the same manner, indicating that he is going to be a formidable wrestler in his next two years here. Steve Bartow wrestled well throughout the season, and with a little more experience should become one of the strongest members of the team. One of the Governors' scrappiest wrestlers was Gene Bouley. His record for wins and losses this year was among the best on the team; and even when he did lose, it was not without a tough fight.

The experience of the seniors on the squad was a steadying influence for the younger members of the squad. Captain Chris Beebe had a fine year on the mats, losing his only match to a powerful Milton opponent. Chris did an excellent job of leading the team this year. His leadership, ability, spirit, and wonderful sense of humor were a constant inspiration to the team. Always ready with valuable advice and help, he never failed his teammates. Dan Leary also had an outstanding record. One loss and one tie were the only blemishes in his record of victories. Dan was valuable to the team and Mr. Evans in another respect. Dan could wrestle in either the unlimited class or in the 177-pound class, depending on where his strength was most needed. Dan performed well in either class. The third senior on the team was Pete Scott. This was Pete's first year as a member of the varsity wrestling team. His lack of experience was his only handicap. He never lacked the determination nor the will to win, which was proved by the constant improvement of his performances as the season progressed. "Mouse" Pouser did an admirable job in the 115-pound class, wrestling against opponents who frequently outweighed him and who frequently had much more experience than he. Pete Renkert was a valuable member of the team in the 130-pound class.

The mediocre record of the team only partly tells the story of the wrestling season. The Governors lost the Milton meet 30-3, yet the battle put up by the team was lauded by the Milton wrestlers themselves. The Governors never gave up the fight, no matter what the odds against them. Mr. Evans and Mr. Kerr were very enthusiastic over some of the team's individual performances. They are also able to look forward to next year's season with optimism, since six of the first nine wrestlers are returning. Chris Beebe and Dan Leary were jointly awarded the Most Valuable Player Trophy. Kevin Leary's election to the captaincy for next year came as no surprise to anyone who saw him wrestle this year. Under his leadership, next year's wrestling team should have a successful season.

The Hockey Season

By Albert B. Wende

By merely looking at the record of an athletic team, one cannot determine the success of the season. The record of four wins, eight losses, and one tie in no way tells the story of this year's hockey team. Anyone who saw the Governors in action can attest to the fact that they never gave up fighting, no matter how far ahead or behind. This same spirit was evident during the practices. Win or lose, the day after each game found the team on the ice, tirelessly working towards perfection.

Lack of good skating weather in past years has certainly left its mark on the "pucksters". However, this year they had an almost unprecedented thirty-one straight days of ice. The announcement at lunch of "Hockey at 3.30 on Ingham Rink" took the place of the old, familiar "Hockey team run to the bridge." Without doubt, the skating time this year will have a very gratifying effect on future teams.

Morale was kept high by Co-Captains Bill Hoyt and Dave Rolfe, even after a losing streak of three games. They gave much valuable advice to the younger and more inexperienced members of the squad.

This year, Mr. Murphy received his last year's team almost intact. The first line was centered by Bill Hoyt and had Dick Bailey and Latham Nichols at the wings. The second line was spearheaded by Jack Pallotta and had Berry Barnes and "Chuck" Duncan on the wings. Berry Barnes and Chuck Duncan will return to lead next year's team as co-captains. A third line had Al Keith at center, with sophomores Fred Estey and Jeff Fitts playing the wings. The first defense consisted of Bill Spence and Co-Captain Dave Rolfe, who thrilled the spectators at Lynn Arena many times with his powerful shot from the blue line. The second defense consisted of Pete Haendler and Tom Wende. A third defense team of Dick King and George Needham gained much valuable experience this year and is sure to be a great asset to the team next year.

"Bernie" Michals did a spectacular job tending the goal. A newcomer to the squad this year, he soon proved his ability as a goalie, and became one of the most valuable players on the team. He was ably seconded by sophomore Bob Turnbull, who will return next year.

The Governors played their best hockey in the games against Middlesex and Belmont Hill and in the victory over Lawrence Academy, although they never gave up any game until the last whistle. By hard work and drive the team improved greatly during the season.

At the evening meeting held for the award of the winter letters, Co-Captain Dave Rolfe was presented the cup for this year's Most Valuable Player on the hockey team.

The whole team is very grateful to Mr. Murphy and Mr. Houston for the fine job of coaching that they did and for their unfailing support of the team. Next year's hockey squad will have a great deal to live up to, as it will be Mr. Murphy's twenty-fifth year of coaching hockey at Governor Dummer.

The Spring Track Season

The Spring Track team depended, as usual, upon veterans of the winter season to fill its ranks. Under the coaching of Mr. Withington, Mr. Sager, and Mr. Sperry, these boys and the newcomers to the squad were forged into a powerful track threat.

Outstanding on the team were the co-captains, Thornton Burke and "Skip" Pescosolido. "T" continued his fine sprinting, and Skip was a constant winner in the field events despite an injured knee. Tony Gowen developed into the team's leading hurdler, seconded by the team's top pole-vaulter, Al Keith.

The distance running events were dominated by underclassmen. Outstanding in the mile were True Miller and Dave Cushman, while the half-mile was bolstered by Pete Cadigan and Stu Sprague. Mac Sheesley ran second only to Thornton Burke in the quarter-mile dash, and Art Balser gave the team depth in the shorter sprints.

George Boynton continued his fine performances in the shot-put and the discus, and "Wink" Pescosolido was a versatile trackman who gave the team depth where it was most needed.

The team's ability was shown in its first competition of the season, the Exeter Relays. In competition against the leading prep school teams in New England, the Governors won three of the events: the shot-put, the pole vault, and the shuttle hurdles.

The Lacrosse Season

Spring brought with it to Governor Dummer the usual throng of lacrosse enthusiasts—young and old, inexperienced boys and returning lettermen. After the material had been sifted, and the squads separated, Coaches Witherspoon, Murphy, and Evans found themselves with a promising group of starters. The team's depth was questionable and untried, but this was developed from the boys who had never played lacrosse before as the season progressed.

The starting line-up was composed for the most part of returning varsity lettermen. Captain "Bink" Bailey led this year's attack, with Tom Elder at the crease in place of the injured Pete Littlefield, and Joe MacLeod and Fred Sears alternating at the other position. On defense were Pete Haendler, Dave Stockwell, and Dick Bartlett. "Pogo" Rolfe was the starting goalie. John and Pete Coon and Tom Doyle made up the first midfield, while Lee Dorr, George Starbuck, and Nick Shea filled out the second group. Though the Governors lacked a third experienced midfield, they made an impressive showing in the first game of the season. The team came from behind to beat a strong Andover aggregation 8-7.

The Golf Season

Captain Charlie Volpone led this year's golf team to a very successful season. Charlie's fine golfing was backed by that of several other returning veterans. Dick King played well last year and improved measurably this year. Bernie Michals, Jim Finger, and Jeff Fitts were the other veteran golfers on the team. They were backed by two newcomers in Charlie Tutt and Lyman Cousens. The Governors displayed their potentiality in the first match by defeating the M.I.T. Freshmen soundly. Reports from Mr. Mercer and Mr. Pulk during the season indicated that all the members of the squad were working hard, and that the hooks and slices were improving.

The Baseball Season

A large group assembled on Morse Field on the first day of the spring term to begin the baseball season. By the end of the week the group was separated into the varsity and junior varsity squads. The varsity squad was very inexperienced, and Mr. Navins needed to do a great deal of work in preparation for the opening game with Haverhill High School. In the week and a half of practice prior to the first game, the team was fortunate in having good weather. A great deal was accomplished before the Haverhill game.

Berry Barnes was the team's starting pitcher and one of the strongest hitters on the club. Behind the plate was a newcomer to the squad, Mike Tyler. Buddy Hadley was converted from a pitcher to the starting first-sacker, and veteran Vince Sgarzi held the second base position. Bill Friend and Jack Pallotta rounded out the infield, and the three starting outfielders were Rey Moulton, Co-Captain George Gardner, and Dave Brainerd.

The Governors opened the season against Haverhill in their dazzling new uniforms. Despite an early lead and fifteen strike-outs by Berry Barnes, the team lost to a strong opposing team 5-3.

The Governors lost to Groton 10-3, largely because of nine errors that the team made during the game. Two of the Governors' runs came on a triple by Mike Tyler with two men on base.

The Belmont Hill game was one to remember. The Red and White tied the score up in the ninth, but were unable to score again until the thirteenth inning. Berry Barnes, who had pitched a brilliant game, hit a three-run homer to win the game for the Governors and bring hopes for success during the remainder of the season.

The Tennis Season

Despite the fact that the weather was rather poor prior to the first game, and the team was not as prepared as it might have been, the tennis team won its opener and looked forward to a fine season. Captained by Don Hicks, the team proved to be a definite challenge to all comers. Hicks and "Ace" Hubbard made up an exceptionally well-balanced and experienced doubles team. The second doubles duo, with Bill Durrell and Robin Rowbotham, proved to be a steady winner; and the third pair, composed of Bob Hicks and Tom Callaghan, was also very able. The majority of these boys had several years of varsity play behind them, and they proved to be a cool and determined team.

With Don Hicks, Ace Hubbard, and Robin Rowbotham in the first, second, and third places on the team, respectively, the Governors managed to gain many of the singles victories. Here again, experience was a big factor. The remaining singles men could be counted on to contribute many points to the team score.

A victory over Middlesex in the first match of the season gave the team confidence. With their drive, spirit, and interest, the members of the tennis team looked forward to another successful season.

The Glee Club

By Allan R. Keith

This year, the twenty-fourth of its existence, was one of the most productive and enjoyable ones for the Governor Dummer Glee Club. Together with the Junior Glee Club, it encompasses more than one half of the student body; and it is by far the most popular extra-curricular activity. Under the able leadership of Mr. Arthur W. Sager, the group has blossomed into one of the finest choruses in the private school class.

During the course of the year, the Glee Club participated in four joint concerts, with Walnut Hill School, Dana Hall School, the Winsor School, and the Beaver Country Day School. In these programs there were always selections from Faure's *Requiem* and the popular *Alleluia* by Randall Thompson. Phil Johnson's solo in *Libera Me*, and Don Hicks' whistle in *The Happy Wanderer* were highlights of the solo numbers. Included in the Governor Dummer program were *Miserere*, *Evening Pastorale*, and *March to Pretoria*. A very enjoyable dance followed each of these joint concerts.

Mr. Kerr's nine Meistersingers were always an impressive contribution to the program with their renditions of such numbers as *Landlord*, *Fill the Flowing Bowl* and *Little Lamb*. The Commencement concert on June 3 climaxed the year's work by both clubs with a program for the parents in Lang Gymnasium.

On Sunday, April 17, the Tenth Annual Concert of the New England Preparatory School Music Festival Chorus was held in Symphony Hall in Boston. Forty-five members of the Boston Symphony Orchestra were assisted by Edward Gammons at the organ, Martial Singher, bass of the Metropolitan Opera Company, and Jane Schleicher, soprano recipient of a vocal scholarship to the New England Conservatory of Music, with Wilfrid Pelletier on the podium. An almost capacity crowd saw the maestro lead the combined chorus of 350 voices through a dazzling performance. Begun with a chorale by Vaughn Williams, in which the audience participated, the concert continued with another chorale, by Bach, Faure's *Requiem*, Vivaldi's *Concerto Grosso, A Minor*, performed by the Boston Symphony Orchestra, Boulanger's *Psalm 24*, Thompson's *Alleluia*, and a psalm by Gustav-Holst. Under Mr. Pelletier's brilliant guidance, the performance was a huge success. A slight preview of the afternoon's entertainment was given the television audience on station WBZ-TV on Sunday morning. Forty members of the chorus were directed by Mr. Abel under the sponsorship of the Boston *Globe*.

The Junior Glee Club's schedule for the year included three joint concerts and the Commencement program. In its second year, this club had fewer returning members than the Senior Glee Club, but recruited many newcomers to have fifty-three members. Mr. Kerr directed the concerts held with Dana Hall School, Beaver Country Day School, and Shore Country Day School, with Mr. Stone at the piano. Some of the favorite selections were *Jesu, Joy of Man's Desiring* by Bach and George Gershwin's *Strike Up the Band*.

Many of the deepest thanks this year go to President Chris Beebe for his inspiration, to managers Fred Scribner, "Wink" Pescosolido, Bill Ardiff, and Herb Hodos for their cooperation, to the accompanists, Mr. Kerr and Mr. Stone, for their patience, and most especially to Mr. Sager, who was the moving spirit and enthusiasm behind it all.

Acknowledgments

The Milestone is deeply indebted to those boys who have generously spent much time, effort, and money to produce the photographs in this yearbook: Robert J. Starr, Bernard Michals, Derek V. H. Holman, G. Maxwell Ule, Jr., Amery V. Colvin, Frank H. Gleason, Ronald E. Shenker, and Robert S. Evans.

There are many friends of the Milestone who have made significant contributions to this yearbook, and we earnestly thank:

Miss Elizabeth A. Page for her help in accounting.

Mr. Harold Johnson of the Andover Press for relieving us of many worries.

Mr. Douglas L. Miller for his inspiration and patience in helping the Board.

Miss Sylvia B. Lunt for her help in organizing the advertising.

The Dance Committee for their successful dance which greatly relieved the financial situation.

Mr. William C. Costello for his generous aid in procuring and preparing food for the dance weekend.

Our advertisers whose advertisements have made possible the publication of the Milestone of 1955.

Nobody knows how many hundreds of thousands of people will dine tonight with TOWLE Sterling — but the actual number would be startling. For in the two-and-a-half centuries that beautiful silver has been made in Newburyport, the demand for its patterns has moved steadily upward. Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.
